Day 2

Private Full-Day Open-Vehicle Safari in the Kruger National Park

All safaris start before the sun rises, as the early morning hours are the best time for spotting wildlife, especially predators. We enter the gates not knowing what to expect and the guide will choose the best areas of the park to explore on this morning's game drive. During this morning's adventure, we will look out for all sorts of animals, including the Big 5.

The lodge will arrange breakfast packs and after about 3 hours of driving, your guide will stop for breakfast and a bathroom break, and there is also a chance to get a coffee. We then continue with the safari. The Kruger Park is home to a variety of eco-zones, and each one has a different kind of wildlife to see. During the safari, we will visit rivers and watering holes as well as the vast open plains and the park's Bushveld regions.

We then stop for lunch at a rest camp, where this meal will be for your account. While here there will be time to do some curio shopping or to indulge in a cold beer! The guide will then continue with the safari, as you make your way back towards the lodge. We arrive back.

Day 3

Private Morning Safari and Private Transfer back to Johannesburg

For the final safari, we again depart the lodge before sunrise. We will have another packed breakfast at one of the rest camps or picnic sites. The guide will focus on animals we couldn't find on the first two safaris and hoping to see lions and leopards, as they are most active in the early mornings. The Kruger National Park has 148 mammal species and over 500 bird species.

After a short breakfast and coffee stop, we will continue with the safari, returning to the lodge at around 11 am.

Here you say goodbye to your guide and freshen up before the journey back to Johannesburg. Clients are collected by the shuttle at around 12:15 pm, and we return to Johannesburg O.R. Tambo International's shuttle terminal, and lodges within a 5 km radius of the airport, between 17:00 – 18:00.
